

Bounty - 60 River Bus

£ 79,950

Description

'Serafina II' is an extremely versatile passenger vessel which has benefited from a significant professional re-fit in 2020 converting her to 100% electric propulsion costing over £45,000 offering up to 10 hours of cruising between charges. This system's electric power is the equivalent like for like for its diesel replacement regarding output and performance. The versatile drive system offers more maneuverability than the original propeller and rudder. Tested and approved MCA Class V Passenger Certificate licensed to carry up to 60 passengers. The interior of the vessel benefits from large skylights and a retractable roof at the bow. With low 2m air-draft 'Serafina' is able to navigate waterways with restricted bridge heights. This vessel is perfectly suited as an event space or restaurant or easily converted to a live-aboard. Full details on electrical specification and invoices available upon request. Lifting and road transport can be arranged. Located in Carnoustie, Angus, Scotland Sensibly priced to sell asking £79,950.
