

SteilSteven - SteilSteven

£ 121,000

Description

SteilSteven 20m Dutch Barge for Sale with Thames Mooring. 'Aqua Sulis' is a well maintained example of a traditional aft cabin barge offered for sale with a transferable Thames mooring with full marina facilities. 'AS' benefits from her topsides having been recently repainted and presents extremely well for a turn of the century barge. Copy of her 2019 out of water survey is available upon request with current BSC. Accommodation consists of a good sized aft, en-suite double cabin with a central island double bed, basin with hot and cold water plus electric WC connected to 1 of 2 holding tanks. The bow cabin consists of two single berths located on the port and starboard sides with a small seating area in forepeak with an escape/ventilation hatch above. Moving aft there is a reception hallway with storage and hanging space to port, plus a useful office space on the starboard side. Adjacent to this is the main WC/Shower room also with hot and cold water plus a separate shower cubicle and an electric WC connected to the second holding tank. The main saloon and galley are centrally located with an open plan layout which is both light and bright from her windows and overhead hatch. The wheelhouse has port and starboard stable type side doors with and aft bench seat. The collapsible wheelhouse roof and windows bringing her air draft down to only 2m when required. The main items in her inventory consist of a generator, inverter, Kabola hydronic radiator heating system, hydraulic bow thruster (requires attention) rudder indicator, plus 12v/24v and 240 volt services, 2 portable air conditioners, washing machine. All in all Aqua Sulis is ideally equipped for extended nights aboard and has a great appeal for extended cruising due her low air draft. She also benefits from not requiring Es-trin certification for use in the European waterways as her cubic measurement is well below the threshold. Sensibly priced to sell asking £148,000. INVENTORY Exterior and Deck Hardware • Collapsible Wheel House Roof and Windows (2m air draft) • Port & Starboard Stable Type Wheel House Doors • Anchor Winch, Anchor and Chain • Folding Wooden Cross Tree Mast • Tender Lift Deck Crane on Bow Deck • Side Deck Rails • Navigation Lights + Horn • Main Saloon Deck Furniture Hatch • Bow Deck Cabin Hatch Doors w/Ladder • Selection of Ropes and Fenders Machinery and Domestic Equipment • Genco 6kw 200RF Marine Generator • Hydro control HC850 Hydraulic Bow Thruster (requires attention) • Kabola Hydronic Radiator Hot Water Heating System • Remote Mobile Control for Heating System • Victron Phoenix 1200w Inverter • Victron Skylla 50amp Battery Charger • Shore Power Throughout • 2 x Portable Air Conditioning Units • Smart Gauge Monitor System • 4 x 6v/24v Semi Traction Domestic Batteries • 1 x 12v Battery for Nav Equipment • VHF Radio • Depth Sounder • Auto Bilge Pump • Rudder Indicator • Sony Stereo w/Speakers Main Saloon and Galley • TV w/Free sat TV • Blinds to Superstructure Windows • Fold Down Table w/Two Stools • 4 Burner Gas Hob w/Extractor • Full Size Gas Oven & Grill • Wine Fridge/cooler • Domestic Fridge • Microwave • Washing Machine • Pull Out Floor to Ceiling Pantry • Various Storage Cupboards & Drawers • Basin with Drainer + Hot & Cold Water
