

Stevens - 1380/1420

£ 299,950

Description

Once in a while a truly unique and rare opportunity can arise where one can purchase a vessel that stands out from all others of her type. 'Stressless' was built in 2005 for her current owners to their exacting standards and design and is a testament to her builders, The Smelne Yacht Centre, who created this exquisite Motor Yacht. Her modern/contemporary interior is both light, bright and well ventilated with plenty of opening windows and hatches offering a cool interior for those balmy summers. With upgraded insulation this vessel also benefits from being extremely well insulated for all year round living and cruising. Full air conditioning throughout. This traditional steel hulled displacement cruiser is ideal for coastal cruises and the inland waterways of Europe. Her accommodation offers two good size en-suite island berth cabins, a large open plan saloon/dinette on one level adjacent to the superbly appointed galley. Fitted and finished to an extremely high level throughout and offered at a fraction of replacement cost. Sensibly priced to sell, £299,950 VAT Paid. INVENTORY Exterior and Deck Hardware Length - 14.25m. Beam - 4.3m. Draft - 1.15m. Air Draft - 3.0m Fuel - 1000L. Water - 750L.
