

Corvette Marine - 320

£ 119,950

Description

Corvette 320 Trawler design semi-displacement motor cruiser The Corvette 320 known as the worlds biggest little yacht (Motorboat and Yachting Magazines words) offers incredible space both inside and out for a vessel under 10m. This fast trawler design is super stable and reassuring ride at both highs and low speeds due to her unique under water shape of her hull. The exterior deck space is vast with super wide side decks and a large flybridge which blends with her aft deck with can seat up to 11 people. The interior boasts 2 en-suite cabins for and aft with a central saloon/galley and lower helm. Performance is offered from twin Yanmar 6LPA-DTE 250hp shaft drive diesels (600 hrs) with a max sped of 20knots + and comfortably cruises at 14-18 knots. Diligence has been family owned from new and benefits from new solid teak decks being fitted in 2012 which have been recently renovated and sealed. Annually lifted ashore and regularly serviced this vessel is good example of this marque.
